

Fordham Intellectual Property Law Institute

APRIL 5-6, 2018

WilmerHale is a proud sponsor of the 26th Annual Intellectual Property Law Institute at Fordham University School of Law. The IP Institute coordinates the Law School's IP programs and develops new initiatives. It fosters progress toward identifying and resolving issues of concern to the IP community and permits policy-makers to formulate integrated approaches to such concerns. Additionally, it offers a forum for assessing developments that could seriously affect the international IP regime.

WilmerHale Partner Justin Watts will speak on the "Exhaustion" panel and serve as moderator of the "Doctrine of Equivalents" panel. Partner Trevor Cook will speak during the "EU Trademark Update" panel.
