

## Breakfast and a Discussion: What Tax Reform Means for Massachusetts and the National Economy

APRIL 24, 2018

The Tax Cuts and Jobs Act of 2017 is the most significant tax reform law in over three decades. Please join Deloitte Tax LLP, PioneerLegal and WilmerHale for an in-depth discussion with national tax policy leaders and tax practitioners to discuss the implications of the new law. Presenters will share their insights on what to expect for individuals and businesses in Massachusetts, as well as the legislation's impact on the national economy and federal budget.

Speakers include national tax policy leaders from Deloitte Tax LLP, Jeffrey Kummer and Robert Stack—Mr. Stack previously served as the deputy assistant secretary for international tax affairs at the US Department of Treasury. They will be joined by WilmerHale Tax Partners Julie Hogan Rodgers and Matthew Schnall.

We hope you can join us for this timely and informative event, presented in a convenient morning format for busy executives.
