

## 2018 Stanford IP Law and the Biosciences Conference

APRIL 26, 2018

On Thursday, April 26, Stanford Law School will host a full-day Stanford IP Law and the Biosciences Conference. The conference will include an informative discussion with leaders in academia, industry and the judiciary on the latest developments in intellectual property law and the biosciences.

WilmerHale Partners William Lee, Justin Watts and Seth Waxman will be featured speakers at this event.

Three Federal Circuit judges, two district court judges and two European justices in addition to several top legal scholars and experienced practitioners from across the country will examine some of the key legal and policy issues raised by the biosciences industry. Michelle Lee, former Director of the US Patent and Trademark Office will deliver the keynote address.

Panels Include:

- Patent Litigation in 2018: A View From the Bench
- Biologics Litigation in the International Arena
- Developments at the PTAB and the Federal Circuit
