

American Conference Institute's 20th New York Conference on FCPA

MAY 8-9, 2018

Unlike other events, the 20th Anniversary Conference builds on a longstanding track record of gathering the major stakeholders in the anti-corruption community—senior government officials, industry executives and private practitioners involved in some of the most historic cases to date.

Widely regarded as the quintessential event in New York, few events can provide this level of networking and benchmarking—all with a view to imparting best practices and forging connections. Participants will hear from acclaimed keynote speakers and gain actionable strategies for managing the real-world impact of critical developments.

WilmerHale Partners Jay Holtmeier and Erin Sloane will speak on the panels "The New FCPA Corporate Enforcement Policy: The DOJ Provides Updates" and "Defending Your FCPA Compliance Program to the Agencies: Practitioners Discuss Their Experiences with Preparing for a Meeting and What to Expect," respectively.
