

Auto IP Europe - Collaboration and success in the IP landscape

MAY 17, 2018

WilmerHale is a proud sponsor of IAM's Auto IP Europe - Collaboration and success in the IP landscape event. This event will provide automotive industry IP professionals with a unique platform to learn, share best practice and discuss new ways to exploit and protect their intellectual property and maintain a competitive advantage.

WilmerHale Partner Justin Watts will moderate the "Patent litigation in Europe: what to be prepared for" panel. This panel will discuss the potentially big changes on the way for European patent litigation and understanding what is going on and how to enforce patents effectively. Panelists will expand on:

- Preparing for the Unified Patent Court
- The pros and cons of litigating in key jurisdictions
- US-style patent assertion entities—are they heading to Europe?
