

## Cambridge Forum on Sanctions & AML Compliance

JUNE 13, 2018

Each year, the Forum's Steering Committee welcomes a select group of up to 48 leading lawyers, consultants and compliance experts from global financial institutions and multinationals with integrated financial services, to meet and discuss the most pressing issues regarding economic sanctions and anti-money laundering (AML). There are no PowerPoint presentations, panels or being lectured. Instead, the forum focuses on closed-door, roundtable discussions in a peer-to-peer format where the key to successful outcomes is the active involvement of all participants. WilmerHale Partner Sharon Cohen Levin will discuss corporate officer personal liability at this forum.
