

QuickLaunch University Webinar: Considerations for Startups on a Path to Exit

SEPTEMBER 25, 2018
WEBINAR

Even at the earliest stages of building your company, it is important to consider your long-term business goals, including your options for an exit event in the future. As a founder, understanding the different exit strategies available—such as an asset sale, merger or acquisition, IPO or private offering—and setting goals early will help position your startup for success.

Join Partners Daniel Zimmermann and Joe Wyatt as they explore the different types of exit options available and the advantages and disadvantages of each. Other topics will include:

- Selecting the right path for your business
- Preparing for and timing your exit
- Working with your investors
