

An Evening With Senator Edward J. Markey and Senator Sheldon Whitehouse

OCTOBER 16, 2018
BISTRO BIS

Join WilmerHale and The New England Council for a reception following the AWEA Offshore WINDPOWER 2018 conference.

We are honored to have as distinguished guests Senator Edward J. Markey and Senator Sheldon Whitehouse, who will offer remarks on the future of offshore wind power in the US and will discuss their leadership on renewable energy policy. The reception will bring together senior representatives from the offshore wind industry, including developers, financiers and other related service providers and energy policy leaders, to discuss recent policy developments and the opportunities and challenges associated with offshore wind development in the United States.

Please be aware that WilmerHale is registered under the Lobbying Disclosure Act. Invitees are welcome to contact [Sarah McCorkle](#) with any questions regarding compliance with any applicable government ethics rules.
