

Panel Discussion: Latest Developments in Turkish Arbitration and Dispute Resolution

DECEMBER 7, 2018
WILMERHALE

Wilmer Cutler Pickering Hale and Dorr LLP is delighted to invite you to a panel discussion on "Latest Developments in Turkish Arbitration and Dispute Resolution."

Commercial and investment arbitration disputes are on the rise in Turkey, and arbitration is increasingly the subject of attention by commercial parties, commentators and courts. The panel comprises some of the leading arbitration practitioners in Turkey, who will explore the latest developments in Turkish arbitration and dispute resolution, with a particular focus on the following topics:

- BIT disputes involving Turkish parties;
- Turkey as a seat of arbitration and the perspective of different parties in Turkish arbitrations;
- Latest developments in the enforcement of awards in Turkey; and
- Parallel proceedings involving Turkish parties.

The panel discussion will be followed by a networking reception.
