

## London Launch of Arbitrator Intelligence's Prototype for Forthcoming AI Reports

MARCH 4, 2019  
WILMERHALE

We are delighted to invite you to the London launch of Arbitrator Intelligence's Prototype for forthcoming AI Reports. Professor Catherine Rogers of Penn State Law and Queen Mary, University of London, and founder of Arbitrator Intelligence, will be introducing the Prototype and previewing how interactive electronic AI Reports will present sophisticated, multifaceted data analytics regarding individual arbitrators' track records.

Please join us on 4 March to learn about the Prototype and how AI Reports will significantly upgrade the arbitrator appointment process. The presentation will be followed by a drinks and networking reception.

Gary Born, chair of the International Arbitration Group at Wilmer Cutler Pickering Hale and Dorr LLP, will deliver opening remarks.
