

Practising Law Institute: Corporate Governance – A Master Class 2019

MARCH 8, 2019
PLI NEW YORK CENTER

Corporate governance provides the framework within which directors and officers must operate in fulfilling their responsibilities. In-house and outside advisers are called on to provide day-to-day counseling and to address crisis situations in the corporate governance context. PLI's program will both highlight the fast-moving market and legal and regulatory developments that directors, officers and their advisers face, as well as provide practical guidance as to how to address them.

WilmerHale Partner Meredith Cross will serve as co-chair and Partner Lily Brown will moderate the panel session, "Nom. and Gov. – All Eyes on the Board (Composition)."
