

MassBio: State of Possible Conference

MARCH 28, 2019
ROYAL SONESTA BOSTON

The State of Possible Conference will take place as a way to celebrate what's possible in the industry and for patients today that wasn't five or 10 years ago. The two-day event will draw more than 600 industry leaders from Massachusetts and beyond to debate the most pressing challenges facing the life sciences to ensure we can continue this incredible success. Attendees will hear from the brightest minds through keynotes, panel discussions and 15-minute Possible Talks—inspiring and engaging content in the style of a TED Talk.

WilmerHale Partner Rosemary Reilly will speak on the panel titled "Early Stage Funding in the Era of Venture Creation."
