

Pathways Into a Career in International Arbitration

APRIL 15, 2019

VAVROVSKY HEINE MARTH RECHTSANWÄLTE GMBH

A panel of attorneys working in the field of international arbitration will share their experiences and provide insight into their unique career paths. Amongst the topics discussed will be the day-to-day practice of international arbitration and advice on how new law school graduates and young practitioners can break into this exciting field. Questions will be invited and are welcomed during this interactive symposium.

WilmerHale Senior Associate Georg Adler will speak at this event.
