

American Conference Institute's 21st New York Conference on the FCPA

MAY 15–16, 2019

THE WESTIN NEW YORK AT TIMES SQUARE

Unlike other events, the ACI New York FCPA Conference has a longstanding track record of gathering the major stakeholders in the anti-corruption community—senior government officials, industry executives and private practitioners—involved in some of the most historic cases to date.

Widely regarded as the quintessential event in New York, few events can provide this level of networking and benchmarking—all with a view to imparting best practices and forging connections. Participants will hear from acclaimed keynote speakers and gain actionable strategies for managing the real-world impact of critical developments.

WilmerHale Partners Jay Holtmeier and Erin Sloane will speak on the panels “Defense Counsel Perspectives on Cross-Border Government and Internal Investigations: The Top 5 Most Critical Decisions to Get Right” and “Third Party Due Diligence Dilemmas: How Decision-Makers Are Making Tough Legal & Compliance Calls, and Addressing Urgent ‘Red Flags,’” respectively.
