JUNE 27, 2019
WEBINAR

Senior Associate Zachary Goldman will be a panelist in a June 27 webinar focusing on how companies can best assess their sanctions-compliance programs. The webinar will be hosted by [Risk Assistance Network + Exchange](#), an information-sharing and advisory services company aimed at helping companies contend with the critical risks facing their operations.

The webinar, titled “It’s a Mad, Mad, Mad, Mad World of Sanctions: Best Practices for Navigating the Increasingly Complex Sanctions Environment,” comes in the wake of new guidance issued in May by the US Treasury Department’s Office of Foreign Assets Control on how companies can best gauge the effectiveness of their compliance programs.
