

IAPP Privacy. Security. Risk. 2019

SEPTEMBER 22–25, 2019
THE COSMOPOLITAN OF LAS VEGAS

The greatest data-driven products and services aren't great until privacy is part of the equation. Come to IAPP Privacy. Security. Risk. 2019 and see how privacy and technology can work together to make innovation and data protection synonymous.

Join the world's largest global information privacy community in Las Vegas for a packed agenda of breakout sessions and workshops on privacy-technology convergence, insightful keynote speakers, outstanding networking opportunities and training for career advancement. Speakers will tackle topics ranging from artificial intelligence to the Internet of things at a practical, operational level. Learn solid fundamentals such as key indicators for managing risk and conducting effective privacy impact assessments. Move on to advanced subjects like privacy by design, artificial design, preventing "dark" data and more.

It's all at IAPP Privacy. Security. Risk. 2019 in the elegance of The Cosmopolitan of Las Vegas resort. Sign up now to be there at the industry's largest convergence of privacy and technology.

Partner Kirk Nahra will lead a Privacy Bootcamp for Security Professionals on Monday, September 23 from 8 a.m.–noon and will speak on Tuesday, September 24 from 2:45–3:45 p.m. for a session titled, "How the Health Care Privacy Debate Affects the National Legislative Debate."
