

5th Lear Conference on the Economics of Competition Law

JUNE 27-28, 2013

The fifth edition of this international Lear conference will focus on the use of economics in merger control, and will discuss several recent developments and their major implications for competition authorities, companies and their advisers. It will cover a broad range of issues, including the assessment of unilateral and coordinated effects, the analysis of non-horizontal mergers, the role played by remedies and the ex-post review of merger decisions.

WilmerHale Partner John Ratliff is a featured speaker at this event, and will presenting in a panel entitled "Remedies in Mergers."
