

Academy on International Commercial Arbitration

SEPTEMBER 1-5, 2013

The Cologne Arbitration Academy is known for its highly interactive and "skills oriented" teaching and training approach. It is addressed to students and young practitioners with no or little experience in the field of ADR. Under the guidance of experienced professionals, attendees will get actively involved in all stages of a real international arbitration.

WilmerHale Partner Steven Finizio will be presenting on Wednesday, September 4 on the topic "Evidence in International Arbitration."
