

American Bar Association Section of Antitrust Law: Antitrust Law 2009 Spring Meeting - Section 5 of FTC Act

2009-03-25

This Meeting, presented by the ABA Section of Antitrust Law, will give attendees the opportunity to hear about the latest developments both here and abroad. This Spring meeting will provide answers to questions raised by a new administration, the economic uncertainty, and new or revised competition laws in many countries. Competition concerns of all types will be addressed--Cartels, mergers, dominance, counseling, litigation skills and issues, intellectual property interface, privacy, and consumer protection.

WilmerHale partner Doug Melamed will be a featured speaker at this conference. He will speak on the topic of "FTC's Section 5 Hearings: New Standards for Unilateral Conduct?"
