

American Conference Institute: 6th National Forum on Corporate Investigations

MAY 19-20, 2008

Each year, more and more companies are seeing their reputations tarnished and, in some cases, ruined by exposure of their corporate misdeeds. And, with government investigations on the rise, more companies will undoubtedly meet the same fate. This conference, presented by ACI, will provide attendees with the strategies and practical advice needed to investigate allegations of corporate misconduct while protecting their company, its shareholders and themselves.

WilmerHale Partner Chris Davis will be a featured speaker at this event. On May 20, he will speak on a panel entitled, "Waiver vs. Protection of Attorney-Client Privilege: Ensuring a Deliberate Approach."
