

## American Conference Institute: Biotech Patents

SEPTEMBER 15-16, 2008

The Biotech Patent industry has never faced so many challenges and changes, both from recent scientific advancement and from adaptations of existing patent practice. An outstanding faculty of biotech patent practitioners will guide attendees to the most effective practices needed to ensure the protection of their biotech discoveries.

WilmerHale partner Hollie Baker will be a featured speaker at this event. On September 16, she will speak on the topic of, "Strategies and Applications to Implement During All Stages of the Biotech Patent Prosecution Process to Prevent Allegations of Inequitable Conduct."
