

American Conference Institute's 4th Advanced Summit on Medical Device Patents

MARCH 24-26, 2014

Be a part of the nation's premier forum dedicated solely to the challenges—and opportunities—facing medical device patent practitioners amidst rapidly-evolving industry standards.

In response to the daunting challenges facing the medical device industry, ACI's Advanced Summit on Medical Device Patents provides a forum for the key players—preeminent in-house IP counsel, patent prosecutors and litigators, the PTO and judges—to unite and share their collective intellectual property knowledge to provide you with cutting-edge patent strategies you can immediately incorporate into your practice.

WilmerHale Partner David Cavanaugh is a speaker at this event.
