

## Antitrust Institute 2013: Developments and Hot Topics

MAY 6-7, 2013

From mergers and acquisitions to enforcement priorities, resale price maintenance to international competition, this PLI program will cover all of the developments in antitrust law and be led by top experts in the field. Hear from leading antitrust practitioners, senior government officials and state regulators about how to manage all of the challenges new developments might throw your way.

WilmerHale Partner Molly Boast will be presenting on Tuesday, May 7 at 11:15 a.m. on a panel titled "Dealing with Enforcement Issues and Opportunities"—a discussion on the latest developments facing antitrust law today.
