

Asia Business Conference 2011

APRIL 1-2, 2011

Asia has become an indispensable partner for the rest of the world, and the internal collaborations among Asian countries are of growing importance. In the past several years, through East to West capital flows, best practice business developments, and technological innovations, Asia has played an increasingly central and active role in the economic recovery. This conference will reflect on the development of Asian economies, their interactions with the rest of the world, and the navigation of potential challenges in the relationships.

WilmerHale Partner Jay Holtmeier is a featured speaker at this event, and will participating in a panel entitled "Managing Business and Legal Risk in Asia."
