

## Association of Corporate Counsel WMACCA Chapter: WWW.WATCHOUT -- Opportunities and Pitfalls in the Use of Corporate Websites

2009-12-10

This program, presented by the WMACCA Chapter of Association of Corporate Counsel, will explore the evolving use of corporate websites for public disclosure and investor relations purposes. Topics will include Regulation FD and SEC guidelines on the use of websites, as well as website issues arising in private and public offerings and other financing transactions. Attendees will have the opportunity to hear a panel discussion which will address corporate governance implications of information on websites and the current and pending NASDAQ/NYSE requirements for their use. In addition, the program will address practical, legal considerations for website design, including interactive features, hyperlinks, RSS feeds and website blogs.

WilmerHale partner Erika Robinson will be a featured panelist at this event.
