

## Avoiding Legal Landmines – Part 1

JULY 18, 2012

Starting a new company is hard, but putting in place the right legal framework for your business doesn't have to be.

In this class, you will learn how to choose between different corporate structures, where is the best jurisdiction to incorporate, how to properly allocate founder equity and how to avoid the most common costly mistakes when starting your company. If you misstep early, it could cost you BIG later, making it more challenging or even impossible to build a successful business.

WilmerHale Counsel Gary Schall is a featured speaker at this event.
