

Being Acquired by Google, Stackdriver's Story

BOSTON, MA

Being acquired by Google is the dream of many entrepreneurs. For some, including Izzy Azeri and Dan Belcher of Stackdriver, it's a reality. Join Izzy and Dan, along with Boston New Tech, at General Assembly for food, drinks and a candid conversation.

Servicing top cloud-based companies including SmugMug, Edmodo and 99 Designs, Stackdriver's intelligent monitoring system enables its users to address performance bottlenecks before they impact customers while reducing the burden associated with patchwork monitoring solutions. Learn about the founders' experience going from an idea to becoming an integral part of Google's cloud platform growth strategy.
