

## Biotechnology Industry Organization: 2010 BIO International Convention

MAY 3-6, 2010

The BIO International Convention is the largest global event for the biotechnology industry, featuring keynotes and sessions from key policymakers, scientists, CEOs and celebrities. This event will offer attendees networking and partnering opportunities and provide insights and inspiration on the major trends affecting the industry. Attendees will have the opportunity to participate in hundreds of sessions covering biotech trends, policy issues and technological innovations, as well as attend the world's largest biotechnology exhibition.

WilmerHale will present a discussion panel at the Biotechnology Industry Organization's 2010 Convention, offering information on the technology transfer and licensing track track. WilmerHale Partners Alfred C. Server and Joseph J. Mueller will speak about "Post-Quanta Legal Issues and Licensing Strategies" on May 5 from 2:00 p.m. to 3:30 p.m.

WilmerHale is co-sponsor of the Technology Transfer and Licensing track.
