

Biotechnology Industry Organization Annual World Conference - Legal Issues for Life Sciences Companies: Staying Out of Court...and Winning If You Don't

APRIL 3-5, 2006

The Biotechnology Industry Organization Annual World Conference is a WilmerHale sponsored event where attendees will learn first-hand how the leading pharmaceutical and biotechnology organizations utilize technologies to speed, store, analyze and interpret the flood of information being produced in the post-genomic era.

On Wednesday, April 5, WilmerHale Partners Karen Green and Cindy Vreeland will present some of the key issues facing life science companies, including intellectual property litigation, effective responses to government enforcement and class action and enforcement risks. Their presentation will run from 1:30-3:15 p.m.
