

Biotechnology Industry Organization IP Counsels Committee Conference

APRIL 23-25, 2014

The biannual BIO Intellectual Property Counsels Committee Conference offers timely, relevant educational sessions on the latest issues in the biotech IP sector, informal networking events designed to promote discussion and foster relationships among industry colleagues, and practical tips for attendees to use the next day. More than 100 attendees representing biotech and pharma companies, law firms, academia and government come together from the US and abroad to attend this one of a kind event.

WilmerHale Senior Counsel Arthur Gajarsa is a featured keynote speaker. Joined by Partner Christopher Noyes, Judge Gajarsa will provide an insider's perspective on the role and function of the Federal Circuit, the Supreme Court's increased willingness to take patent cases, and his views on the current cases and legal questions that could impact the biotechnology industry.
