

BostInno's 3rd Annual State of Innovation Forum

BOSTON, MA

Join 1,000+ business leaders and professionals for an afternoon of high-profile keynote speakers, cutting-edge panel discussions, invigorating workshops and incredible networking at BostInno's third annual State of Innovation Forum on Tuesday, June 16 at the Westin Boston Waterfront.

This year's State of Innovation Forum focuses on defining what it takes to sustain Boston's growth as a leader in innovation. From the city's most successful pillar companies to the smallest high growth startups, Boston's industry leaders share their strategies to scale and discuss how they conquered crucial aspects of their businesses.

In the spotlight, the city is about to decide on its bid to host the 2024 Olympic Games. Join the discussion with Boston's civic leaders, as BostInno presents an exclusive screening of a short feature film on the Olympics' potential impact on innovation and its implications for the decades to come.

New this year, is the State of Innovation Workshop Series. Alongside the panel discussions, the State of Innovation Workshop Series offers the opportunity to put the advice you hear into action. Choose from five workshops alongside the panel discussions to develop your skills.

After an afternoon of high-profile speakers, upbeat programming and interactive discussions, celebrate with an exclusive networking reception and after party.
