

C5: 3rd China Summit on Anti-corruption

JUNE 22 & 23, 2010

After the tremendous success of its conferences in July 2008 and June 2009, the American Conference Institute and C5 Group are proud to announce the 3rd China Summit on Anti-Corruption. Once again, the Summit brings together an exceptional faculty of senior corporate ethics and compliance executives, attorneys, forensic accountants and government officials. They will provide a comprehensive update on the anti-bribery landscape in China, the intersection of the FCPA and local Chinese anti-bribery laws and how to implement robust anti-corruption policies to comply with Chinese laws and the FCPA, including:

- What kind of gifting or payment is acceptable and in what instances
- Overcoming cultural and legal challenges in rolling out an anti-corruption compliance programme
- Due diligence: best practices for a prospective third-party relationship in China
- Creating a Code of Conduct that matters in China
- Conducting internal investigations in China
- How to convey the importance of anti-bribery compliance to external partners, suppliers and distributors

WilmerHale Partner Paul von Hehn will be a featured speaker at this event.
