

Center for Professional Education: 2009 SEC Conference

NOVEMBER 19-20, 2009

Now in its 10th year, the Center for Professional Education will present the 2009 SEC Conference, where SEC staff, reporting specialists from the Big 4 and industry panelists will provide a complete update on US financial reporting. Attendees will have the opportunity to hear discussions on hot button topics, take part in breakout sessions and network with colleagues and SEC experts. Topics to be discussed include: what's new at the SEC and PCAOB; IFRS roadmap: where do we go from here?; FASB & EITF updates; the SEC review process: how to survive it; ongoing fair value concern; business combinations implementation; IFRD: transition/conversion issues; SEC enforcement under new leadership and accounting in hard times.

WilmerHale partner Randall Lee will be a featured speaker at this event. He will speak on the topic of SEC Enforcement Issues.
