

Class Actions Seminar – Latest Developments in Law and Practice

JULY 25, 2013

DRI's national Class Actions Seminar will bring together counsel for the defendants involved in Supreme Court cases, as well as nationally and internationally renowned practitioners, to discuss the cutting-edge issues impacting class action law and offer practical advice on defending these cases. In addition, respected in-house counsel will provide their views on multiple aspects of the defense of class actions. WilmerHale Partner Noah Levine will be discussing *Amgen Inc. v. Connecticut Retirement Plans and Trust Funds*: "Fraud on the Market" at the Certification Stage.
