

Counterfeit Crackdown! The Global Fight Against Pirated Goods

2011-10-24

An esteemed panel of experts will discuss issues presented in AAM's one-hour America Abroad documentary on illicit trade: Counterfeit Crackdown!. The discussion will examine the scope of global piracy, its financial and ethical implications and international efforts to address it.

WilmerHale Counsel Naboth van den Broek is a featured speaker at this event, alongside Stan McCoy, Assistant U.S. Trade Representative for Intellectual Property and Innovation, and Chris Israel, former United States Coordinator for International Intellectual Property.
