

## Current Issues Involving Troubled Financial Institutions and Bank Holding Companies

2011-11-09

Unprecedented fiscal events and new regulations have changed the way the financial services industry does business. Join us for an interactive panel discussion to explore developing trends and current issues impacting financial institutions and bank holding companies.

Topics include:

Innovative developments surrounding bank and bank holding company bankruptcy situations  
The Orderly Liquidation Authority and its impact on creditors of systemically important financial institutions (SIFIs)  
New opportunities to invest in troubled open banks and their assets  
A distinguished panel of WilmerHale attorneys will provide insight and answer questions.

Panelists include:

**Philip Anker:** Partner; Vice Chair, Bankruptcy and Financial Restructuring Practice, WilmerHale

**Russell Bruemmer:** Partner; Chair, Financial Institutions Practice, WilmerHale

**Sara Kelsey:** Counsel, Financial Institutions Practice, WilmerHale and former General Counsel, FDIC

Moderator:

**Michael O'Brien:** Partner, Corporate Practice, WilmerHale
