

Cybersecurity Law Institute 2013

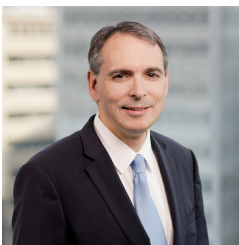

MAY 23, 2013

Not a day goes by where cybersecurity is not in the news. According to a recent national survey, cybersecurity is the number one issue on the minds of general counsels of American companies. This year's institute will prepare attendees on actions to take should their company face a cyber-attack.

WilmerHale Partner Benjamin Powell is a featured speaker at this event and will present on a panel about data breaches and ethical obligations.
