

Eclipse Insurance: Eclipse Insurance Day

2009-09-30

This one day event, presented by Eclipse Insurance, brings together members of the insurance industry, IT managers and software architects with guest speakers from the insurance industry, Eclipse Foundation and companies using Eclipse Source technology, to discuss Open Source and the solutions it can provide for the insurance industry. Attendees will have the opportunity to learn about using Eclipse as a platform for application development in the insurance industry, leveraging Eclipse modeling technology for data exchange and cost reduction by collaboration with the Open Source community.

WilmerHale counsel Dr. Martin Braun will be a guest speaker at this event. He will speak on the topic of "Open Source Software, Eclipse Public License and the Eclipse Ecosystem - Legal Aspects."
