

Environmental Law Institute: Understanding Climate Change Law

2008-01-23

Speakers from the regulated community, EPA and the environmental community will present updates on federal and regional programs to address climate change in the United States at this seminar. Speakers will also discuss the key issues in the implementation of the Regional Greenhouse Gas Initiative (RGGI) such as the intersection between RGGI and developments at the federal level.

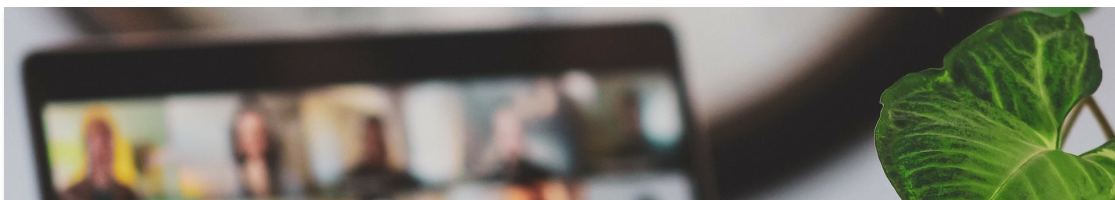

WilmerHale is a sponsor of this event. WilmerHale partner Ken Meade will participate as moderator, and partner Mark Kalpin will participate as a panelist during a session entitled "Climate Change in the Northeast: Update on Federal Developments and Implementing RGGI -- The Northeast Regional Greenhouse Gas Initiative: An Overview of Emerging Issues."
