

## EU Energy Law & Policy 10th Annual Conference

FEBRUARY 10-11, 2015

Claeys & Casteels proudly presents the 10th Anniversary edition of its annual EU Energy Law & Policy Conference. For the tenth time, this conference will bring together key policy makers, regulators, top market players, practitioners, lawyers, academics and researchers to present unique insights and observations on all major topics in the current dynamic energy field.

WilmerHale Partner John Ratliff will be speaking during the fifth session titled "Infrastructure."
