

Exploring Entrepreneurship: Is It for You?

SAN FRANCISCO, CA

It is the new “Golden Age of the Entrepreneur” (in Silicon Valley and across the globe). So you’ve asked yourself: Should I start my own company? How will I know if being an entrepreneur is for me? It’s a great time to explore the exciting path of starting a company. Or perhaps you have founded a startup and want to do everything in your power to make it succeed. In this interactive workshop, Hilary Weber will take each participant and the group as a whole through a personalized, powerful, hands-on workshop that will help to clarify your appetite for entrepreneurship, and the alignment of your existing skills sets with founding a company.
