

Family Wealth: Preparing the Next Generation

The Boston Foundation and Hale and Dorr invite you to a special presentation featuring Charles W. Collier, Senior Philanthropic Advisor to Harvard University. Mr. Collier will use a case study to explore new questions that clients want to discuss with their advisors around inheritance planning, the effect of wealth on their children, and the positive impact of philanthropy on families. He will also introduce the concept of four kinds of family capital, promoted by James E. Hughes, Jr., Esq., author of the book, *Family Wealth: Keeping it in the Family*.
