

Foreign Corrupt Practices Act in Brazil, Implementing FCPA Compliance Programs and Mitigating Risk

2010-02-04

This CLE webinar presented by Strafford Publishing will discuss recent FCPA enforcement focused on business activity in Brazil, the particular FCPA challenges of conducting business there, and offer strategies for FCPA compliance in Brazil.

WilmerHale partner Kimberly Parker will serve as a panelist. The panel will review risk factors that make companies conducting business in Brazil more vulnerable to possible FCPA violations, types of conduct that have triggered SEC and DOJ investigations into potential FCPA violations, lessons learned from recent SEC and DOJ enforcement efforts aimed at companies doing business in Brazil, and strategies companies and counsel should employ to develop and implement effective anti-corruption compliance programs and due diligence efforts.
