

FTI Consulting Breakfast Briefing: Healthcare and Life Sciences Regulatory Enforcement Trends, Data Protection and Cyber Security Panel Program

JANUARY 31, 2013

FTI Consulting is hosting a conference on healthcare and life science regulatory enforcement trends, including data protection and cyber security. The panel of experts will lead a discussion on regulatory enforcement trends in the healthcare provider and life sciences sectors, as well as a discussion on data protection and cyber security. This conference will also address practical implications and best practices for risk management and mitigation in these areas.

Panelists include:

Michael Sullivan, attorney at Ashcroft; former US attorney

Ellen Giblin, attorney at Ashcroft

Anne Nobles, former chief ethics and compliance officer, senior vice president, enterprise risk management at Eli Lilly and Company

Karen Green, attorney at WilmerHale

Jonathan Cedarbaum, attorney at WilmerHale

David Yarin, managing director at FTI Consulting (panel moderator)

Mark Grover, senior managing director at FTI Consulting

Jayson Dukes, senior managing director at FTI Consulting

Chris George, senior managing director at FTI Consulting

Space is limited, so please contact rsvp@fticonsulting.com to attend.
