

Fundraising for Product Startups: Crowdsourcing, VCs and Beyond

NEW YORK, NY

Futureworks Incubator champions and supports the growth of hardware startups across New York City. Made possible by NYCEDC and spearheaded by SecondMuse, the Incubator's workshop series focuses on the top priorities in a company's journey. The event will focus on Fundraising for Product Startups: Crowdsourcing, VCs and Beyond.

Panelists will address questions like: How do I find investors? How can I prepare for a pitch? What are my fundraising options and how do I structure the terms? Where can I raise money if my product has a social purpose or not high growth?
