

Future of FinTech: The Disruption of Financial Services

WEBINAR

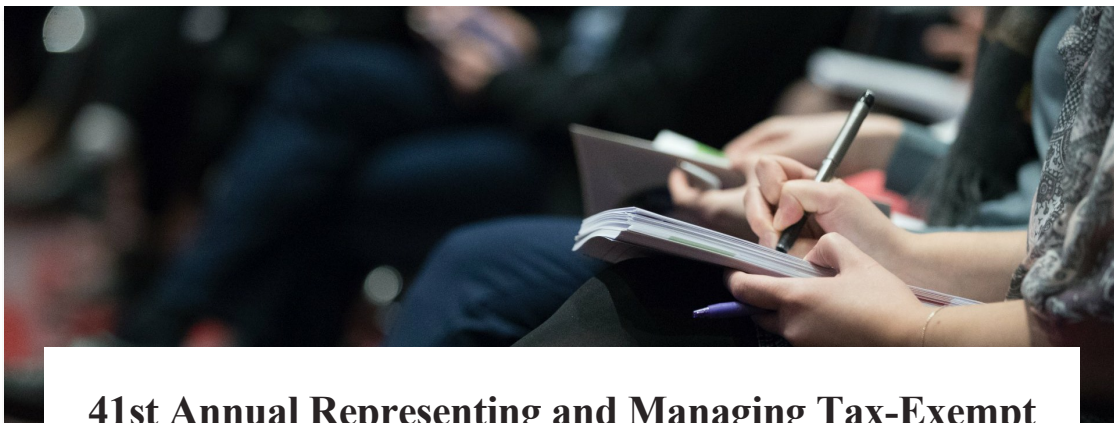

The Future of FinTech is an exclusive gathering of the world's largest financial institutions, best fintech startups, and most active venture investors.

We'll cover the ongoing pace of disruption and funding in finance and what that means for incumbents, consumers, and the future of financial services more broadly across major trends like AI, blockchain, insurance tech, robo advising and more.

If you want to understand the powerful and fast-emerging technologies profoundly reshaping financial services and the knock-on effects that will have, the CBI Future of FinTech is the place to be.
