

GCR Live 2nd Annual Foreign Investment Review

JUNE 13, 2014

This one-day conference will focus on getting the deal through in an increasingly complex regulatory environment where antitrust merger review, other sectoral reviews and foreign investment review frequently intersect in cross-border mergers. The aim of the conference is to broaden the scope of issues currently considered by antitrust and M&A specialists during all phases of cross-border mergers, including procedural and substantive issues. Antitrust and M&A specialists, including lawyers and bankers, must more than ever, be astutely aware of foreign investment review regimes to anticipate and avoid surprises during all phases of a deal. Panelists will offer practical insight for efficiently achieving foreign investment review approvals in cross-border mergers.

WilmerHale Partner Benjamin Powell will be a featured panelist at this event.
