

Global Capital Markets & the US Securities Laws 2011: Strategies for the Changing Regulatory Environment

2011-04-25

With globalization continuing in every corner of the financial markets, the cross-border nature of more businesses makes keeping up with regulatory reform essential. This program will keep securities lawyers up-to-date on international regulatory and market developments, bringing together a lively mix of expert practitioners and senior regulators for an in-depth look at how the US securities laws work in a global context, and the new environment of domestic and international financial reform.

WilmerHale partners Daniel Gallagher and Thomas White are featured speakers at this event. Mr. Gallagher will be presenting as part of a panel entitled "Alternative Investment Vehicles and Derivatives Regulation," and Mr. White as part of a panel entitled "IFRS and Other Accounting Matters."
