

Global Competition Review: Dominance and Unilateral Conduct 2010

2010-02-09

This conference, presented by Global Competition Review, will provide updates and discuss trends in EU and US law and enforcement. Speakers from the European Commission, the Federal Trade Commission, national competition enforcement authorities, law firms and industry will offer their advice and commentary on a range of topics including: The EC Guidance Paper; Current and future enforcement priorities; The EU and US - what are the differences?; Recent developments in the US; What is happening at the national level?; Refusal to supply and deal; Pricing-what discounts may be offered to which customers?; and Abuse of IPRs - how far does Article 102 stretch?

WilmerHale partner will be a featured speaker at this event. He will speak on the topic of "In Search of Guidance/Pricing: What discounts may be offered to which customers?"
