

## How to Advise Clients Doing Business Online

1998-12-16

The firm's E-commerce Group presented a seminar about doing business online. Topics discussed included: intellectual property concerns; privacy; advertising and consumer protection; antitrust; online securities offerings; and Internet governance. Speakers included several Wilmer partners including David Johnson, the former Director of the Aspen Institute Internet Policy Project and former chairman of Counsel Connect; Scott Blackmer; Brandon Becker; Meredith Cross; Lynn Charytan; and Susan Crawford. The seminar was held in the firm's Washington, D.C. office.
